

MEDIA ACCREDITATION APPLICATION

SYDNEY MOTORSPORT PARK

Sydney Motorsport Park and the Australian Racing Drivers' Club, the official managing authority for the venue, require that any media attending any event or activity at the venue (including motorsport experiences, driver safety and training, corporate events and general media coverage) apply for media accreditation prior to gaining access to the venue.

In order to be considered for accreditation to Sydney Motorsport Park, the Australian Racing Drivers' Club requests that you complete all sections of the form below and return it with your signature by fax or email. Each application will require a new signature and the date.

Receipt of this form is not an automatic approval of credentials. We will contact you to confirm approval.

Please note that accreditation will be supplied to professional working media only. Private Bloggers and non-commercial amateur media outlets are not eligible, except at the discretion of the venue or event promoter. Persons not adhering to the media guidelines outlined for the event, or using this Media Accreditation to on-sell images at the venue to clients other than media or pre-approved clientele will be removed from the premises.

For media assistance before, during or after the event/activity, please do not hesitate to contact the ARDC (see below). Thank you.
